"It's despoil or indigestion for years. No appetite, and what I did eat distressed me terribly. Burdock Blend Bitters reached the cause." J. H. Walker, Sunbury, Ohio. adv

John D. must aspire to be a tar-head; he has just purchased 27,000 acres of North Carolina land.

When you have a billions attack give Chamberlain's Tablets a trial. They are excellent. For sale by all dealers.

Vice-President-Elect Tom Marshall's corn cob pipe and Ben Davis Adam's apple seem to be a good pair.

Constipation causes headache, indigestion, dizziness, drowsiness. For a mild, opening medicine, use Dean's Regulets. 25¢ a box at all stores.

It's a wonder some college hasn't adopted those most appropriate of all football colors—black and blue.

The present war clouds in the Balkans make the others seem like the gossamer haze of an Indian summer day.

If you are troubled with chronic constipation, the mild and gentle effect of Chamberlain's Tablets makes them especially suited to your case. For sale by all dealers.

It is predicted that there will be no more great poets. How can there be when there are so many popular songs?

When baby suffers with eczema or some itching skin trouble, use Dean's Ointment. A little of it gives a long way and it is safe for children. 50¢ a box at all stores.

A new kind of religion has been started in Chicago, in which there is no hell. That is the kind of religion Chicago wants.

We wish to call your attention to the fact that most infectious disease such as whooping cough, diphtheria and scarlet fever are contracted when the child has a cold. Chamberlain's Cough Remedy will quickly cure a cold and greatly lessen the danger of contracting these diseases. This remedy is famous for its cures of colds. It contains no opium or other narcotic and may be given to a child with infinite confidence. Sold by all dealers.

A Chicago seeker after damages avers that the defendant in her suit hugged and kissed "very roughly" and so as to cause her great mental anguish. He would not wisely but too well.

Deafness Cannot be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

It is said that William Sulzer, Democratic governor of New York, looks something like Henry Clay when his hair isn't combed. Crusty Coughs And Wheezy Colds

The quickest simplest way to rid the children of dangerous crusty coughs and wheezy stuffy colds is to give them Foley's Honey and Tar Compound. It gives almost instant relief and stops a cough promptly. It soothes and heals. Contains no opiates. Sold by A. G. Meyer. adv

The attorney general thinks it is wrong to make a felony for a candidate to give a cigar to a friend during a campaign. Evidently the attorney general does not know the kind of cigars some candidates usually hand out.

The Busy Women's Day

It begins early, ends late, and is full of work. She often has kidney trouble without knowing it. Her back aches, and she is tired and worn out. Sleeps poorly, is nervous, no appetite. Her Doctor gives her Foley's Kidney Pills will cure all that and make her strong and well. They are the best medicine made for kidney and bladder disorders. Sold by A. G. Meyer. adv

Dr. Wm. Sadler, author of "The Cause and Cure of Colds," says that common colds should be taken seriously, especially when they "hang on". Foley's Honey and Tar Compound is a reliable household medicine for coughs and colds, equally effective for children and for grown persons. Take it when you see a cold coming on. It will avert danger of serious results and cure quickly. No harmful drugs! Sold by A. G. Meyer. adv

One advantage of the single term would be that former presidents could enter upon the enjoyment of their pensions without waiting so long.

A Des Moines man had an attack of muscular rheumatism in his shoulder. A friend advised him to go to Hot Springs. That meant an expense of \$150.00 or more. He sought for a quicker and cheaper way to cure it and found it in Chamberlain's Liniment. Three days after the first application of this liniment he was well. For sale by all dealers. adv

There is one good thing about Teddy. When he gets a good squirming he shuts up until somebody starts something—an then he buts in again.

Coughing At Night

One bad cough can keep the whole family awake at night. Phil Disenior, Schieffelin, Mich., says: "I could not sleep on account of bad cough, and I was very weak. Used Foley's Honey and Tar Compound, and soon the cough left and I slept soundly all night." Sold by A. G. Meyer. adv

The lack of fear which Rose and the rest of the informers showed on stepping out of jail tells the story of the difference Becker's conviction made.

They Always Help Elderly People

Foley Kidney Pills give just the help elderly people need to tone and strengthen their kidneys and bladder and regulate their action. John McMasters, Streator, Ill., says: "I feel better and stronger than I have for many years, and Foley Kidney Pills did it." Sold by A. G. Meyer. adv

Rumors are busy picking out members for President-elect Wilson's official household. There seems to be an doubt whatever but that William J. Bryan can be secretary of State, and therefore, the Premier of the Wilson cabinet if he so desires. A great many of Mr. Bryan's friends are urging him to accept this high position, and there seems to be some ground for hope that he will do so. Mr. Bryan is probably better fitted for that position than any other man in America. He has twice traveled around the world and has visited Central and South American countries, and has in other ways eminently qualified himself to deal with matters affecting our foreign relations. Furthermore, many critics of Mr. Bryan have charged him with being a "dreamer" and theorist, and therefore, an impractical man. By accepting the office of Secretary of State he would be in a position to show that he is a statesman of a very practical sort and one who can do things.

Tested and Proven

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Ste. Genevieve readers have seen the constant expression of praise for Dean's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

Louis Boyce, Market St., Ste. Genevieve, Mo., says: "Twenty-six years ago I fell from a scaffold while working in the church. My back was injured and after that, whenever I caught cold or did any work that required me to stoop, my back started to ache. I tried different kinds of medicine but never found anything that gave me as great relief as Dean's Kidney Pills. I got this remedy at Hinck & Douglas' Drug Store and it acted directly on my kidneys. The pain in my back was relieved and my condition improved." (Statement given October 4, 1906.)
